

MEDIA RELEASE | 1 March 2023

\$250 up for grabs for two lucky subscribers

The City of Victor Harbor is encouraging residents to sign up to its monthly email newsletter and go into the draw to win a \$250 gift voucher.

If there's one thing that's true of the Victor Harbor community, it's that our residents like to stay informed with what's going on locally.

Council is now encouraging the community to stay 'in the loop' by getting the latest Council news delivered straight to your inbox.

Victor Viewpoint is the City of Victor Harbor's monthly email newsletter. It's one of many ways Council communicates with the community and shares important information.

By subscribing to Victor Viewpoint, you can stay up to date with what's happening at Council and find out about exciting projects taking place in our City.

City of Victor Harbor Mayor, Dr Moira Jenkins, said everyone should sign up to Victor Viewpoint.

"We're always looking at ways to communicate better with our residents about things that are important to them, and our Victor Viewpoint newsletter is just one of these opportunities to share information," said Mayor Jenkins.

"Many people are surprised when they learn about the many services councils provide for their local area. The City of Victor Harbor provides more than 100 services to keep our community vibrant, clean and safe."

"If you want to learn more about the services, projects and initiatives we are working on, just sign up to our Victor Viewpoint newsletter."

By subscribing before 30 June 2023, residents and ratepayers will automatically go into the draw to win one of two \$250 gift vouchers.*

"Imagine what you could do with a spare \$250! Get a new outfit or take the whole family to dinner at a local restaurant," said Mayor Jenkins.

To subscribe, simply visit www.victor.sa.gov.au/viewpoint or send a request to localgov@victor.sa.gov.au.
