“Time for outdoor play  
part of every day”

Debi Gutierrez

MT COMPASS COMMUNITY PLAYGROUND

# MOUNT COMPASS

“All children deserve the opportunity to have a place where they can RUN.....as fast as they can JUMP....as high as they can and SHOUT....as loud as they want! Take your kids to a park, beach or playgroud TODAY!”  
Tanne Luckens - Senior Physiotherapist & DAD ELF (Early Learning for Families) Team - Southern Health Service

# NORMANVILLE

**YANKALILLA CWA PLAYGROUND**  
Yankalilla Sporting Complex,  
off Main South Road

YANKALILLA CWA PLAYGROUND

e. Definitely worth a visit!

This multi-purpose site, located on the main road between Yanakalila and Normannville, has some facilities for everyone. There is good access for those using wheelchairs. The fully-fenced playground area has a diverse range of play equipment including swings, slides, springy see-saw, spin-circles and a trampoline with soft landing mats. An accessible-for-all ramp leads to the large adventure zone which provides an opportunity for children to explore more activities. Superb facilities in a sheltered picnic table and drinking fountain are all located within the fenced play area. The whole family will enjoy a visit to this park; the adults will sit back and relax while the children play. The Yanakalila Community Centre is based at the site for free play. The BMX track and plenty of grassed areas for ramps. There is also a BMX track and plenty of grassed areas for ramps. The centre is also a BMX track and plenty of grassed areas for ramps.

# GOOLWA

## ARTHUR NEIGHBOUR RESERVE

Porter Street

Centrally located in the heart of Goolwa, this playground has a variety of activities to offer children including climbing, crawling, sliding and swinging. The activity zone allows children to explore different heights with a sheltered platform area and a cosy gathering spot. The reserve has a large grassed area providing plenty of space for free play and is partially fenced along Wildman Street. Toilets are nearby and it is only a short walk to the town centre or a five minute walk to the historic Cockle Train station at The Wharf.

## BRISTOW SMITH RESERVE

Barrage Road

## GARDEN RESERVE

Shepherd Avenue

"I like building sandcastles."

Harrison (age 4 yrs)

# MIDDLETON

## ABBOTS RESERVE

Ellensford Terrace

There is fun for the whole family at Abbotts Reserve with play equipment suitable for younger children, a basketball hoop and lots of free space to run around. A large sheltered picnic area with access to barbeques and plenty of natural shade makes this an ideal setting for a family gathering. Off-street parking is provided and tennis courts located at this site are available for hire. A small skate ramp can be found within a short walking distance towards the beach and the Encounter Bikeway is also nearby.

## MIDDLETON SHORES

Morrison Avenue

"Playgrounds are fun because they have lots of things to do. Swings are the best."

Chloe (age 4 yrs)

# PORT ELLIOT

## HORSESHOE BAY PLAYGROUND

Horseshoe Bay

This small playground is situated in a grassed reserve alongside the popular beach of Horseshoe Bay. Particularly suited to younger children, this site has a fun boat-themed activity zone as well as some swings. The generous sand-base area of the playground provides an opportunity for lots of digging and creative sand play activities. Several trees provide nice shaded spots to enjoy a family outing. Picnic tables are conveniently located nearby, with toilets and a café only a short walk away. There is much to explore around this area where natural coastal beauty abounds.

## COMMODORE RESERVE

Horseshoe Bay

## LAKALA RESERVE

Rosetta Terrace

# HAYBOROUGH

## STARFISH PARK

Aquamarine Drive

The playground at Starfish Park offers multiple opportunities for children of all ages to explore active outdoor play. A giant climbing frame, flying fox, swings, sandpit and an activity zone with slide, climbing walls, fireman pole and bridge are just some of the equipment available. Sheltered picnic areas and barbeques are on site, and a drinking fountain is also conveniently provided. Families can have a great time here enjoying the large grassed space with plenty of room to run around or play ball games.

## SEAGULL RESERVE

Seagull Avenue

## BLOCKER RESERVE

Ostend Crescent

## DRUMMOND RESERVE

Drummond Circuit

## TUCK RESERVE

Hicks Court

# ENCOUNTER BAY

## JOHN W CROMPTON JNR RESERVE

cnr Tabernacle Road & Nicolas-Baudin Drive

Situated in a picturesque setting, this reserve has direct access to popular Encounter Lakes, with a generous sandy beach area for entertaining sand/water play. The playground offers children the opportunity to climb, swing, bounce, crawl and slide as they explore the equipment. A spacious grassed area around the playground provides some space for all ages to kick a ball around or play chasey. The site is partially-fenced along Tabernacle Road and several trees on the reserve offer some nice shaded picnic areas.

Lord Hobart Crescent

## WALLAGE RESERVE

Wallage Court

## RECOMMENDATION:

Toddlers (1-3 years) & Pre-schoolers (3-5 years) should be actively moving every day for at least three hours, spread throughout the day.  
Australian Government, Department of Health & Ageing, 2010.

# VICTOR HARBOR

## GT FISHER PLAYGROUND (TRAIN PARK)

Flinders Parade

This large playground site is ideally situated alongside one of the safe swimming beaches in Victor Harbor and close to many popular tourist attractions, including the historic horse-drawn tram. Multiple sheltered barbecue and picnic tables are conveniently located in the park along the foreshore. Access to refreshments is only a short walk away if desired. The playground area is fully-fenced and there is supervision seating available. Toilets are situated next to the playground. The large Norfolk Pine trees provide welcome shade for the sand-based playground and also the large grassed open area of the park. Children will have opportunity for lots of active play with a broad range of play equipment available. Several themed activity zones featuring a train, ship and castle include motion-activated sound effects to add delight to the experience. The playground also features an access-for-all ramp to allow for wheelchair access.
