

# Flourishing on the Fleurieu Festival 2021

A festival that celebrates active ageing and showcases how our community flourishes.

Now over two exciting weeks 17 - 30 April 2021

This regional festival aims to promote health and wellbeing, and facilitate social connection.

*'Let's explore the possibilities'*

## Guidelines

Grants are available to small community-based groups to support participation in the Flourishing on the Fleurieu Festival. The money can be used to fund an event or activity to encourage new people to get involved in a local community group. Activities could include a come and try day, a morning tea, a special one off event for the Festival or any activity which encourages new people to get involved.

**A grant amount of \$150 is available to small community based groups.**

Events and activities will need to be held during the two week Festival period, **17 - 30 April 2021**.

Eligible small community-based groups need to be located within one of the four council areas; Alexandrina, Victor Harbor, Yankalilla or Kangaroo Island and the event/activity should be aimed at encouraging older people to participate.

In assessing applications for funding, consideration will be given to events or activities that offer opportunities for 'new' people to get involved.
