

SOUTHERN FLEURIEU AND KANGAROO ISLAND POSITIVE AGEING TASKFORCE

Minutes of the Southern Fleurieu Positive Ageing Taskforce meeting
Held in the Council Chambers, City of Victor Harbor on
12 February 2019 12-2pm

The meeting commenced at 12.10 pm

1 PRESENT

Amy Foote	Country Health Connect
Betty Hurrell	ECH
Dana Lavenant	ACSA – Better Practice Project
Deb Gregory	Alexandrina Council
Elizabeth Kennedy	Country SA PHN
Gary Crook	Yankalilla Council – Transport Coordinator
Helen Deguet	Caring Neighbourhood Program
Helen Morley	COTA SA
Jackie Horton	Southern Volunteering
Jo Daniels (minutes)	Caring Neighbourhood Program
Kerry Mart	ACH Group
Lynda McCarty	RSB
Marilyn Henderson	VH Councillor & COTA SA Peer Champion
Michelle Fuller (Chair)	Project Officer, Positive Ageing Taskforce
Sarah Manser	Country SA PHN
Simone Krohn (via phone link-in)	Kangaroo Island Health Service
Sue Tucker	Carers SA – Team Leader Southern Fleurieu & KI
Terry Mangelsdorf	Carers SA - CRCC
Wendy Oliver	Estia Health
Guest presenters:	
Josephine Littlehawk	Lived experience / Influencer of Modern Ageing
Meg Burgoine	Guest support
Kelly Francou	Relationships Australia SA

2 APOLOGIES

Andrew Williams	My Care Solution
Beth Moore	Alexandrina Council
Brittannie Millowick	Australian Hearing
Carolyn Pratt	Country Health Connect
Chelsea Hastings	ECH
Corrie Burnside	My Care Solution
Eliz Veitch	Carers SA
Gwyn Elson	ACH Group
Jacqui Briers	Carer & Disability Link
Johanna Milbank	Milbank Project Management
Joyanne Mirra	ACH Group
Leanne Sanders	Kalyra Communities
Liz Cleland	Country Health Connect – Railway Cottage
Lynn Openshaw	Resthaven
Mark Oliphant	City of Victor Harbor
Melissa Gawne	RAS – Aged Care Alternatives
Michele Pearce	RN – Southern Cross
Michelle Dugmore	
Monica Cations	Flinders University
Pauline Kearns	YNA
Rob Crouch	Dementia Australia
Jerrima Nicholas-Allen	Junction Australia
Sophie Green	Carers SA – Carer Support Worker

3 Acknowledgement of Country – Michelle Fuller

Michelle opened the meeting, conducted Acknowledgement of Country and welcomed everyone.

4 INTRODUCTIONS

All members introduced themselves with their name and the organisation represented, special welcome to guest presenters: Josephine Littlehawk (lived experience) and Kelly Francou (Relationships Australia SA).

5 MINUTES OF PREVIOUS MEETING – 11 December 2018

Minutes of the previous meeting held on 11 December were confirmed as true and correct.

Moved by Terry Mangelsdorf, seconded by Helen Deguet.

All members confirmed that the minutes of the last meeting were true and correct.

6 FLOURISHING ON THE FLEURIEU

6.1 Festival 2018

Evaluation Summary presentation and infographic with outcomes of the 2018 Festival are available on the flourishing weblink www.victor.sa.gov.au/flourishing

The Flourishing on the Fleurieu Festival 2018 has been nominated for the Local Government Professionals SA Leadership Excellence Awards in the category Community Partnerships and Collaboration.

Planning for the 2020 Festival will commence mid-2019, to allow a longer lead-in time to promote opportunity to community groups and for administration and promotion.

Action: Please email Michelle mfuller@victor.sa.gov.au if you are interested in participating in the planning team.

7 DEMENTIA FRIENDLY COMMUNITITES

7.1 CADDY Project

The trial CADDY Project, supported by funding from Office for Ageing Well via the Age Friendly SA grants, is now complete with the evaluation report being finalised by the evaluators. A big thank you to the Caring Neighbourhood Program and Community Connect Program for implementing the project during 2018 and participating in the evaluation process. The grant acquittal and final report is due by 28 February 2019. It proved to be a very valuable project with several key learnings around embedding a wellness and reablement approach with people living with memory loss. The Evaluation Report will be made available once approved for public release by Office for Ageing Well.

8 WORKFORCE DEVELOPMENT & TRAINING

8.1 Silver Rainbow LGBTI Aged Care Awareness Training

The Silver Rainbow LGBTI Aged Care Awareness Training Project is managed by the National LGBTI Health Alliance and is being delivered collaboratively with project partners across Australia. It is funded by the Department of Health until June 2020. COTA SA has been selected as the SA partner for this project. The Project Officer for this project from COTA SA is currently liaising the Collaborative Project Officers in relation to delivery of this training in SA. Helen Morley provided flyers about this training, organisations can arrange to have this training delivered on site if desired. Contact: Desmond Ford at COTA SA for further information on 8224 5538 or dford@cotasa.org.au

8.2 WellnessCPR training

It is proposed that regional Collaborative Projects will partner together to offer this training during 2019, we will look to partner with Hills or Southern metro to deliver this training. Information about workshops will be advised once available.

8.3 Wellness and Reablement resources from 2018 SA Collaborative Projects event

A reminder that documented table discussion notes from the event Role Plays and World Café outcomes, along with pitch presentations from the event are available via this link:

<https://www.ssrq.org.au/content/putting-practice-wellness-reablement>

The Film featuring the actor role plays is nearing completion and this training resource is expected to be released soon.

Action: Michelle to advise Taskforce when film resources are available.

9 KANGAROO ISLAND

9.1 Update (Simone Krohn)

Kangaroo Island Service Planning has been completed. Draft paper going to Community Health. Summary to the community to explain the findings. Currently recruiting an NDIS co-ordinator.

10 ISSUES FOR STRATEGY AND PLANNING

Key DoH web links, providing links to useful information and resources, are now available on the online flourishing hub for easy access www.victor.sa.gov.au/flourishing

10.1 Department of Health – updates:

- **Aged Care Quality and Safety Commission:** as part of the broader reforms occurring in the aged care sector, the Aged Care Quality and Safety Commission commenced on 1 January 2019, which provides a single point of contact for aged care concerns and queries.
 - o **New Aged Care Quality Standards:** Assessment and monitoring against the new Aged Care Quality Standards will commence on 1 July 2019. A Self-Assessment Tool for the new Aged Care Quality Standards has been developed to assist providers to prepare for the new Standards. Self-assessment against the Aged Care Quality Standards is not required prior to 1 July 2019. However, on the basis that full compliance with the Aged Care Quality Standards will be required from 1 July 2019, services are encouraged to use the self-assessment tool to identify and address areas for improvement in order for the Aged Care Quality Standards to be met from 1 July. Before you complete your self-assessment, familiarise yourself with the [Aged Care Quality Standards](#) and [Guidance and Resources for providers](#).
 - [Self-Assessment Tool template \(Word\)](#) (Note: This is not a prescribed template and you can undertake a self-assessment in your preferred format).
 - [Aged Care Quality Standards Guidance for Self-Assessment \(PDF\)](#)
 - The full version of the first issue of the Aged Care Quality Bulletin can be accessed here: <https://www.agedcarequality.gov.au/newsletter-2019-1#checking%20your%20readiness%20for%20the%20new%20standards>
- **Royal Commission into Aged Care Safety and Quality:** The Royal Commission opened on 18 January with a preliminary hearing, the first public hearing was held on 11 February in Adelaide continuing into the week of 18 February. At these hearings evidence will be presented which will involve key features of the aged care quality, safety and complaints system, and how that system works in practice on a general level. There will also be information about the challenges faced by the aged care system. An interim report is to be provided by 31 October 2019, and its final report no later than 30 April 2020. Further information about the Terms of Reference, as well as plans for submissions and hearings, can be found on the [Royal Commission website](#)
- **Consultation – streamlined consumer assessment for aged care:** The department has released a discussion paper to consult with the aged care sector and interested parties on the design of the streamlined consumer assessment mode. This relates to the Government's 2018-19 Budget measure to design and implement a new framework for streamlined consumer assessments, to be delivered by a national assessment workforce from 2020. The consultation closed on Monday, 11 February 2019.
- **Check for valid ACAT approval:** The department has received a number of enquiries from providers about when an Aged Care Assessment Team (ACAT) assessment is required. A subsidy cannot be paid to an approved provider for providing care to a person, unless the person is approved under the Aged Care Act 1997 (the Act) as a care recipient. An ACAT assessment is required if a person is seeking access to aged care services that are funded under the Act, such as:
 - o Residential Care
 - o Flexible Care in the form of Transition Care or Short-Term Restorative Care
 - o Residential Respite Care
 - o a Home Care Package.For a provider to claim subsidy for a Home Care Package, the care recipient has to also have been assigned a Home Care Package and entered into a Home Care Agreement with a provider before the take-up deadline.
More information can be found on the [department's website](#).
- **Home care and the Australian Consumer Law:** Under the Australian Consumer Law, consumers have [rights](#) when buying home care products or services. Consumers have the right to:
 - o be treated fairly and not be pressured into signing anything
 - o be given accurate information before they buy

- cancel a faulty service
- receive a repair, replacement or refund if something goes wrong
- change provider at any time (exit fees may apply).

To assist consumers to understand their rights, the Australian Competition & Consumer Commission (ACCC) has developed a consumer brochure - [Home care – know your consumer rights](#). You can request hard copies of the brochure to distribute to consumers by: emailing cdcproject@acc.gov.au, providing the quantity you are seeking and how you will use and/or distribute them. Limited stock is available. Resources for home care providers are available to download from the [ACCC website](#)

- **Specialist Dementia Care Program roll out:** The Australian Government is starting to roll out the Specialist Dementia Care Program (SDCP). The program will provide care for people exhibiting very severe behavioural and psychological symptoms of dementia (BPSD), who are unable to be appropriately cared for by mainstream aged care services. The SDCP will offer specialised, transitional residential support, focussing on reducing or stabilising symptoms over time. The department has advertised a targeted grant opportunity for a prototype SDCP service. The next round of 14 SDCP grant opportunities will be advertised in early 2019. This first phase of specialist dementia care units will be operational in early 2020. Further updates will be provided as grant opportunities become available. For more information on the SDCP, visit the [department's website](#).

10.2 Local Drug Action Team for Southern Fleurieu

Email received from Johanna Milbank who is doing some work for Fleurieu Group of Justices in relation a Local Drug Action Team for Southern Fleurieu. Johanna is requesting feedback on whether alcohol and other drug abuse is a specific issue for the aged care sector in relation to employees or recruitment. Meeting attendees indicated that they were not aware of this being a specific issue.

Action: Michelle to relay this feedback to Johanna via email.

Action: (ALL) If you have any additional information or feedback related to this, please contact Johanna at johanna@milbank.com.au or 0423 134 725.

Liz Kennedy also provided some further information about the Local Drug Action Team for Southern Fleurieu.

11 STATE/COMMONWEALTH UPDATES

11.1 Country SA Primary Health Network update

Mental Health & AOD:

- *Government funding for community mental health services (National)*
It is estimated that the \$1.45 billion will include:
 - \$177 million for mental health nurses
 - \$77 million for suicide prevention including Indigenous suicide
 - \$74 million for the mental health of those in residential aged care
 - \$89 million for Indigenous mental health
 - \$617 million for youth mental health including headspace
 - \$399 million for psychological therapies for hard to reach populations
- *Summit Health providers for mental health programs in Fleurieu*
- *Regional Access* is an online Country SA wide initiative which provides low intensity intervention support while clients wait for psychotherapy face to face services - <https://saregionalaccess.org.au/>
 - Note that Regional Access will call back clients who are low are credit
- *Hello Sunday Morning* addresses alcohol and other drugs and has an app which is accessible called *Daybreak* for self-regulation and monitor and support
 - No referral required – enter postcode online
- *QPR Online Training* (Question Persuade Refer) - Free 60 – 90 minute online training module, certificate at completion and covers:
 - Common myths and misconceptions about suicide
 - The warning signs of suicide
 - How to ask the suicide question
 - How to persuade someone to stay alive
 - How to get help for someone in crisis
 - CODE: CSA
- *Tumbelin* via Baptist Care also addresses AOD in youth in the area 15 yrs +
- *Headspace* are providing 4 days in the Fleurieu Region. Youth Mental Health Clinician. Contact Mt Barker Office for appointment 08 8398 4262
 - Tuesday and Wednesday at Victor Harbor

- Thursday and Friday at Goolwa (multiple locations)
 - *Headspace – Strathalbyn*
 - Mental Health Social Worker (12 – 25 yrs) 3 days a week
 - One day at Flex Centre
 - One day at Strathalbyn Medical Clinic 24 – 26 West Terrace – Thursdays call 8531 2122 for appointment
 - One day at Mt Barker
 - Recently employed 2 day week worker providing case management support/coordination to Strathalbyn
- NB: Strathalbyn Medical Clinic have Paul Martin Counselling (Fri) Sue Hogan Psychology Services (Tues)
- *Drug ARM* - Based at 2 George Main Road, Victor Harbor with full time opening hours. Zoe will also be working for 3 days per week. Peter will go to KI for 3 days per week every other week.
 - Referrals are via telephone or email, no GP referrals required
 - Telephone 0437 946 023

Aboriginal and Torres Strait Islander Health

Health Workforce

- *Health Pathways* – online portal for GP’s to use which enables streamlined referrals and planned care of the patient. This is a health initiative with SA Health (lead) Adelaide PHN and Country SA PHN. The program will ensure consistency and provide evidence that supports reduced waiting time for patients and increased access to services - <https://saproject.healthpathwayscommunity.org/>
 - 30 clinical and referral pathways published over the quarter
 - Mental Health was the most popular topic in December, and users viewed twice the number of pages than in previous couple of months.
 - 72% of users in this quarter were first time users of HPSA
- *Health Care Homes* – Goolwa Medical Centre and Victor Medical Centre are the selected practices in the Central region
 - Patient enrolments gradually gaining momentum for each site

Digital Health

- *Health Connect* – CSAPHN eHealth team are working to connect health professionals via Cisco Jabber. 130 organisations have the system running at present, with 10 more being processed.
- *My Health Record* digital health officers are now engaging Residential Aged Care Facilities, Allied Health and Pharmacies to connect for seamless continuous patient care.

Please contact the Central team should you require more information or have any questions: Elizabeth Kennedy ekennedy@countryasaphn.com.au or Sara Manser smanser@countryasaphn.com.au

We Hear You 2

‘We Hear You 2’ film was funded through the Primary Health Network and supported by Fleurieu Families, Alexandrina Council and the Fleurieu Regional Community Services Alliance Committee. ‘We Hear You 2’ is a creative communication project that engages the youth of Alexandrina to tell stories that span generations. The film highlights the caring role that grandparents offer their grandchildren, the resulting family dynamic and the stressors and satisfaction that grandparents experience. By sharing their stories, the project allows an understanding of how grandparents view and maintain their role, and how grandchildren understand this relationship; while promoting positive community relationships and resilience. You can view the film here: https://www.youtube.com/watch?v=eC_H_AJ6dhk

12 PRESENTATION – FORGOTTEN AUSTRALIANS

Kelly Francou, from Relationships Australia SA, presented about the work being undertaken to support people who identify as ‘Forgotten Australians or Care Leavers’.

Josephine Littlehawk, Influencer of Modern Ageing, shared her lived experience about the impact of childhood institutionalised care and also talked about the valuable advocacy work she is involved in.

Available resources were discussed and distributed.

The Department of Health has produced the following resource package that can be used for staff PD:

The *Caring for Forgotten Australians, Former Child Migrants and Stolen Generations Information Package* shows how early life experiences can affect older people receiving care and help care providers respond to their needs.

To access the resource package visit: <https://agedcare.health.gov.au/support-services/people-from-diverse-backgrounds/care-leavers-resources>

The Package resources include:

- an [information booklet](#) covering issues and aged care requirements of Forgotten Australians, Former Child Migrants, and the Stolen Generations
- a [training facilitator guide](#) including case studies on care issues of Forgotten Australians, Former Child Migrants, and Stolen Generations. Carers are encouraged to use this guide to facilitate group discussions and information sessions to other carers.
- a [PowerPoint Presentation](#) for information and training sessions
- a [video](#) to be viewed on YouTube

13 ROUND ROBIN**Terry Mangelsdorf – Carers SA Commonwealth Respite & Carelink Centre**

Carers SA, CRCC funding confirmed under some funding lines through until the end of the 19/20 financial year. Pending introduction of the Integrated Carer Support Services, (ICSS) to commence with the successful applicant for the state being online by October 2019. Carers SA tendering for successful provider, tender finishes 14 February 2019. Successful applicant will be announced end June. From that date the successful applicant will transition in and all other organisations will transition out, having three months to move clients to the new support service. Access will be via the Carer Gateway, there will be a relaunch of the gateway expected soon. All service providers should ensure their details are correct on the Gateway so clients can access appropriate service information. The Government are tendering for two hubs only, one metro and one rural. Less funds than current in this tender, to service entire state. Current funding is approximately \$14 million, new funding will be approximately \$10 million per year. The type of supports will differ in the future with a different slant on the eligibility. Carers SA recommends that clients ensure they are linking with other services for ongoing supports that are available via either My Aged Care, NDIS, and any other avenue. Carers SA advises that clients will need to look at their own personal supports, within the circles of family & friends and formulate emergency plans to fill any support gaps.

Carers SA is not experiencing a reduction of the requests for respite from clients who are engaged with NDIS, as there are still significant waits around assessment and supply of packages of support or re-assessment of current plans. Carers SA encourages any clients with current plans to make contact at the nine month mark of any contract to request a review, as if this isn't a smooth transition to a newly assessed plan, funding does cease and only commence again with a new plan. Clients with Mental Health diagnosis are also being assessed by NDIS, Carers SA encourages any clients with these disabilities to progress their NDIS contact ASAP.

The Community Home Support Program Flexible Respite (CHSPFR) In-home Day/Night funding is available for respite support if the client has exhausted their HSP funding or have been assessed as eligible for HSP and waiting for this to be available, also to top up funding if waiting for a larger package to become available. Please contact CRCC in these situations.

Carers SA strongly encourages eligible clients to link through My Aged Care for ongoing services & supports and if already receiving support to review those supports for any available and eligible upgrade. There will be less funding available for 'emergency & short term' supports under the new ICSS, options will be presenting at emergency departments of hospitals.

Carers SA continues to welcome contact and referral from any provider, organisation or family carer to assist carers to be able to continue with their caring role, by providing respite assistance as required in an emergency or short term occasional capacity during the current funding round. CRCC staff can plan with both carer & care recipient, the most suitable way of meeting their respite need. Advice will be forthcoming to clients around the changes when the successful tender is announced.

CRCC has funding for GH&A, Disability, Mental Health, Severe & Profound, CHSPFR & Young Carer programs under the current funding guidelines. Please contact phone 1800 052222.

Carers SA & the CRCC will be closed on the 27 & 28 March for a whole of staff development meeting, during this time the A/H's service will address any emergency respite requests only. All other enquiries will be followed up upon return on the 29 March.

Helen Morley (COTA SA):

New Peer Champion recruited and trained in Alexandrina Council area – based in Goolwa. Maureen Franklin can be contacted on 0499 036 790 – see attached flyer with all Peer Champions details. Maureen will also be available in Goolwa Library every Wednesday from 10-12 – starting 6 March 2019. Yankalilla My Aged Care Community Information Session being held on Thursday 28 February at Yankalilla Community Church, 135 Main S Road, Yankalilla. 8 Service Providers are also hosting 'trade' tables

Still looking to recruit 1-2 Volunteer Aged Care Peer Champions in District Council of Yankalilla, unfortunately no one has come forward, despite repeated advertising. If you know anyone- please let Helen Morley, COTA SA know!

COTA SA has been successful in securing funding for the Community Visitors Scheme, where volunteers will be visiting isolated older people who are still living in their own home but receiving a Home Care Package and those in Residential Care. Hills, Mallee & Southern, Mid North and Metro Adelaide are the 3 focus areas. Germaine Rowberry at COTA SA will be managing this project. growberry@cotasa.org.au or 08 8232 0422. Working Mon-Thurs.

Silver Rainbow – LGBTI Aged Care Awareness Training. COTA SA is an Agency Partner of this. Hand out attached. If Aged Care facilities are interested in receiving this important training please contact Desmond Ford, Head of Business Development and Programs at COTA SA. Booking are already being taken and availability is filling up.

Helen Morley also now works 4 days a week. Tuesday - Friday. hmorley@cotasa.org.au or 08 8224 5515 (direct line)

Joyanne Mirra – ACH Group:

ACH Group Social Links program for 2019:

Yankalilla Art group - *Art In Focus* - has been going for a year now and is well established. The group meets Friday fortnightly from 12.30pm to 3.00pm at the Uniting Church Hall on Main South Road.

Next meeting is Friday 22 February. All levels are welcome and the group has a lovely energy where customers can immerse in the art projects (painting with water colour & acrylics currently). This has been a good respite group for customers who are caring for a spouse or other family member.

Learn, Create, Share in Yankalilla (LCS). Delivered fortnightly on Wednesdays - next meeting is 13 February. LCS has been a wonderful group offering customers a day of activities including an easy stretch session, coffee & chat, cards, crafts and a two-course lunch. Occasionally the group will go on day outings e.g. the next meeting will be a bus tour to Port Noarlunga to see The Blonde Bombshells Jazz performance. This group has the added element of offering a day of respite for carers due to its start at 10am and finish at 3pm. However if the day is too long, shorter times can be offered where for example a customer may prefer a later start or leave earlier. The LCS group also has a focus on supporting customers with significant memory loss and dementia in general. This is evident in two ways. Firstly with its experienced support worker staff (and volunteer) and secondly through the Montessori approach that the LCS group has been working with including creating valued roles and a valued social experience.

Other Social Links groups that have room for more customers across the Fleurieu include:

New Art In Focus group in Victor Harbor (started on Friday 1 February)

Café Cruisers (coffee group) – a fun group that goes to a different café/venue for coffee & cake (and sometimes includes a sort stroll) in Yankalilla and surrounding areas (Friday fortnights in the morning)

Fleurieu Bus Tours each month on a Thursday – next bus tour is Thursday 14 March to The Cube – D'Arenburg Winery for a tour of the interesting building/architecture.

We have had a number of customers from Victor Harbor attend our bus tours and join the Yankalilla customers. This has been helped along by using Genesis bus group in Victor Harbor.

Rob Crouch – Dementia Australia:

Family Carer Workshop being held in Yankalilla on 2 April 2019 10.30am – 1.30pm. This workshop provides an opportunity to learn about practical strategies, share common experiences and learn ways to support a person with a diagnosis of dementia living in the community. A Family Carer Program has also been planned for Victor Harbor in June. For further information please contact Rob rob.crouch@dementia.org.au or phone 8372 2100.

Lesley King – ACSA:

The ELDAC (End of Life Directions for Aged Care) Project offers facilitators to support aged care providers with training and information in supporting older people with end of life directions. Please see attached information about ELDAC. For further information please contact Lesley King ACSA Workforce and Industry Development Officer ELDAC on 8338 8011 or lesley.king@acsa.asn.au

TAFE SA (Certificate III in Individual Support):

Large class for this semester at Victor Harbor campus, with a total of 35 students (including 25 new students). TAFE SA welcomes partnerships with aged care (residential and home/community services) and disability service providers to host vocational placements for students – all students need to complete a minimum of 120 hours of vocational placement, assessments will be conducted by TAFE SA Assessors who will also seek feedback on student performance from host organisation staff. Any service providers interested in hosting student placements or seeking further information can contact Jo via jo.wilkin@tafesa.edu.au or phone 0467 779 069.

14 NEW AND EMERGING ISSUES / OPPORTUNITIES (N/A)

Meeting was closed at 2.10pm

NEXT MEETING:

Tuesday 9 April 2019 at 11.45 am for 12 noon start, City of Victor Harbor Council Chambers.

Guest presentation: TBA
