### 3. THE REVIEW PROCESS

Speed limits and/or signage, through out the City of Victor Harbor, are set and positioned in accordance with the Australian Road Standard 1742.4, Speed Controls (AS1742.4).

Requests for the review of a current speed limit and/or sign location, for roads managed and maintained by the City of Victor Harbor, are subject to the following procedure;

- 1) Complete **Application for Speed Limit Review** and submit to the City of Victor Harbor.
- 2) The Director of the Environment and Infrastructure Department (or delegate) will inspect the location, with reference to the details within the **Application for Speed Limit Review** and related road standard documentation.
- 3) If the Director of the Environment and Infrastructure Department (or delegate) assessment highlights a need for further investigation, their recommendations are forwarded to the State Department of Planning, Transport and Infrastructure (DPTI)
- 4) The State Department of Planning, Transport and Infrastructure (DPTI) review the City of Victor Harbor, Director of the Environment and Infrastructure Department (or delegate) recommendation's, noting that DPTI has the delegated authority to approval all speed zone changes.
- 5) The State Department of Planning, Transport and Infrastructure (DPTI) notify the City of Victor Harbor of the outcome and any action required. *(Please allow 4-6 months, from lodgement of this request, for resulting action).*

NB: Main arterial roads that travel through the City of Victor Harbor are owned and managed by the Department of Planning, Transport and Infrastructure (DPTI). These roads are; Adelaide - Victor Harbor Road, Hindmarsh Road, Torrens Street, Victoria Street, George Main Road, Inman Valley - Yankalilla Road, Hindmarsh Tiers Road.

To request a speed limit or signage review on these roads contact DPTI Eastern office on;  
Email: [dpti.eastern@sa.gov.au](mailto:dpti.eastern@sa.gov.au) Phone: (08) 8532-8111

### 4. ACKNOWLEDGEMENT

I have read and understand the above information and have given true and correct details to support this application to review speed limits. I also understand that the completion of the form is an application and may not result in subsequent action.
