

MEDIA RELEASE | 2 February 2023

Grants available for events, sporting clubs, youth organisations, community groups and more!

There's no denying the City of Victor Harbor has a vibrant community, and our local organisations, groups and residents all contribute towards this.

The Council coordinates a range of grant and sponsorship programs throughout the year to support the community in their endeavours. The aim is to encourage projects and initiatives that help to cultivate a vibrant community culture in Victor Harbor.

Grant programs that are currently open for applications include:

- Sport and Recreation Grant Program
- Youth Development Grants Program
- Volunteer Week Small Grants Program
- Community Wellbeing Grants Program
- Festivals and Events Sponsorship Program.

City of Victor Harbor Mayor, Dr Moira Jenkins, said grants are one of the ways Council can build capacity within the community and nurture opportunities for everyone to thrive.

"We want to empower local groups and people who help make Victor Harbor a great place," said Mayor Jenkins.

"If you're part of a community group, club or organisation, have a think about the projects you may have coming up in the next year and check to see if you're eligible for any of our grants."

"Many of the grant programs currently accepting applications provide funding towards initiatives that will strengthen connection in our community, increase participation in physical activity, reduce isolation or celebrate diversity."

Each grant program has its own guidelines, selection criteria, application forms and opening and closing dates. This information can be found online at **www.victor.sa.gov.au/grants**.
