Introduction
The provision for the conduct of Council and Committee meetings and the decision-making processes at those meetings are prescribed by the Local Government Act 1999 Chapter 6 (the Act) and the Local Government (Procedures at Meetings) Regulations 2013 (the Regulations) Parts 1, 2, 3 & 4.

Parts 1 and 4 apply to both Council and Council Committee Meetings.

Part 2 applies to Council Meetings, Council Committees performing regulatory activities and any other Committees, determined by Council, which this Part should apply.

Part 3 applies to all Council Committee meetings that are not subject to Part 2.

Council has resolved to apply Part 3 to all of its Council Committees.

Note: Council’s Code of Practice for Access for Meetings and documents compliments this document.

Public Health Emergency: Electronic Participation in Council Meetings

On 15 March 2020, the Chief Executive of the Department for Health and Wellbeing in the State of South Australia, pursuant to section 87 of the South Australian Public Health Act 2011, declared that an emergency which threatens to cause the death of, or injury or other damage to the health of any person is occurring or about to occur in relation to the transmission of COVID-19, and declared the emergency to be a public health emergency.

On 22 March 2020, the State Co-ordinator for the State of South Australia declared, pursuant to section 23 of the Emergency Management Act 2004, that a Major Emergency is occurring in respect of the outbreak of the Human Disease named COVID-19 within South Australia.

On 30 March 2020 the Minister for Transport, Infrastructure and Local Government issued a notice pursuant to section 302B of the Local Government Act 1999 (Notice No 1) varying or suspending the operation of the specified provisions of the Local Government Act 1999 as set out in Schedule 1 to Notice No 1. Notice No 1 commenced operation on 31 March 2020.

For the period Notice No 1 has effect (as provided for in Notice No 1), this Code of Practice is altered as set out below and those alterations have effect notwithstanding any other provision in this Code of Practice to the contrary.

For the avoidance of doubt, save for the alterations to the Code of Practice as set out below, this Code of Practice otherwise applies to all meetings of the Council.

Discretionary Meeting Practices
In order to provide Councils with a degree of flexibility in meeting procedures, the Regulations in some instances provide for some provisions of Part 2 of the Regulations to be varied at the discretion of the Council.
Regulation 6 states that if a provision in the Regulations is expressed to be capable of being varied, then Council may, by a resolution supported by at least two-thirds of the Members present, determine that a Code of Practice be prepared or adopted that establishes its own procedures to apply in substitution for the relevant provision.

In addition Section 86(8) and 89(1) of the Act provides Council with the opportunity to make its own meeting procedures, where practices they are not otherwise stipulated in the Act or the Regulations.

**Scope**

This Code of Practice reflects the 4 Parts of the meeting Regulations:

- **Part 1** is applicable to both Council and Council Committees.
- **Part 2** is applicable to Council meetings only and highlights those procedures varied by Council and additional practices where the legislation is silent.
- **Part 3** is applicable to Council Committees only and highlights other meeting practices, set by Council, for use to Council Committees.
- **Part 4** is applicable to both Council and Council Committees and highlights additional meeting practices applicable to Council and/or a Council Committee.

4—Guiding Principles

The following principles (the Guiding Principles) should be applied with respect to
the procedures to be observed at a meeting of a council or a council committee:

(a) procedures should be fair and contribute to open, transparent and informed
decision-making;
(b) procedures should encourage appropriate community participation in the
affairs of the council;
(c) procedures should reflect levels of formality appropriate to the nature and
scope of responsibilities exercised at the meeting;
(d) procedures should be sufficiently certain to give the community and
decision-makers confidence in the deliberations undertaken at the meeting.
Part 2 - Applicable to Council Meetings Only

Part 2—Meetings of councils and key committees

Division 1—Preliminary

5—Application of Part

The provisions of this Part apply to or in relation to—

(a) the meetings of a council; and

(b) the meetings of a council committee performing regulatory activities; and

(c) the meetings of any other council committee if the council has, by resolution, determined that this Part should apply to that committee.

6—Discretionary procedures

(1) Subject to the requirements of the Act, if a provision of this Part is expressed to be capable of being varied at the discretion of the council pursuant to this regulation, then a council may, by a resolution supported by at least two-thirds of the members of the council entitled to vote on the resolution, determine that a code of practice prepared or adopted by the council that establishes its own procedures for the relevant matter or matters will apply in substitution for the relevant provision (and such a determination will have effect according to its terms).

(2) A council should, at least once in every financial year, review the operation of a code of practice under this regulation.

(3) A council may at any time, by resolution supported by at least two-thirds of the members of the council entitled to vote on the resolution, alter a code of practice, or substitute or revoke a code of practice.

(8) This regulation does not limit or derogate from the operation of regulation 201.

Note—

Furthermore, if a matter is not dealt with by the Act or these regulations (including under a code of practice under this regulation), then the relevant procedure will be—

(a) as determined by the council; or

(b) in the case of a council committee where a determination has not been made by the council—as determined by the committee.

(See sections 86(8) and 89(1) of the Act.)

(2) If the number of apologies received by the chief executive officer indicates that a quorum will not be present at a meeting, the chief executive officer may adjourn the meeting to a specified day and time.

(3) If at the expiration of 30 minutes from the time specified in the notice of meeting as the time of commencement a quorum is not present, the presiding member or, in the absence of a presiding member, the chief executive officer, will adjourn the meeting to a specified day and time.

(4) If a meeting is adjourned for want of a quorum, the chief executive officer will record in the minute book the reason for the adjournment, the names of any members present, and the date and time to which the meeting is adjourned.

(5) If a meeting is adjourned to another day, the chief executive officer must—

(a) give notice of the adjourned meeting to each member setting out the date, time and place of the meeting; and

Alterations to this Code of Practice to Facilitate Electronic Participation

Attendance at Council Meetings

(a) give notice of the adjourned meeting to each member of the Council setting out the date, time and place of the meeting;

(b) give notice of the adjourned meeting to the public by causing a notice setting out the date, time and place of the meeting to be published on a website determined by the Chief Executive Officer.

8—Minutes

(1) The minutes of the proceedings at a meeting must be submitted for confirmation at the next meeting or, if that is omitted, at a subsequent meeting.

(2) No discussion on the minutes may occur before confirmation, except as to the accuracy of the minutes as a record of proceedings.

(3) On the confirmation of the minutes, the presiding member will—

   (a) initial each page of the minutes, which pages are to be consecutively numbered; and

   (b) place his or her signature and the date of confirmation at the foot of the last page of the minutes.

(4) The minutes of the proceedings of a meeting must include—

   (a) the names of the members present at the meeting; and

   (b) in relation to each member present—

      (i) the time at which the person entered or left the meeting; and

The minutes of the proceedings of a meeting must include in relation to each member present at the meeting the method of attendance by the person.

For example

The following are examples of methods of attendance:

(a) physical attendance;
(b) by an audio-visual link;
(c) by an audio link;
(d) by telephone

---

**Council Practice:**

The Minutes will be displayed on Council’s website for 5 years.

---

**9—Questions**

(1) A member may ask a question on notice by giving the chief executive officer written notice of the question at least 5 clear days before the date of the meeting at which the question is to be asked.

**Note:** In accordance with Council Policy a Question on Notice should be provided to the Chief Executive Officer within 7 clear days notice. Council Members submitting a Question on Notice may also include some background information.

(2) If notice of a question is given under subregulation (1)—

(a) the chief executive officer must ensure that the question is placed on the agenda for the meeting at which the question is to be asked; and

(b) the question and the reply must be entered in the minutes of the relevant meeting.

**Council Practice:**

Questions on Notice if provided to the CEO with sufficient time will include a reply in the Council Agenda (as well as the Minutes) otherwise the CEO will arrange for answers to be tabled at the relevant meeting.

When sending questions to the CEO, the Member asking the question should provide a brief history, context, or reason why the question is being asked. This preamble will be included in the agenda with the question.

(3) A member may ask a question without notice at a meeting.
Council Practice:
Council Members may ask questions on Council reports particularly where a verbal update is given on an item.

Members are encouraged not to ask questions of an operational nature that could be resolved by an enquiry with the Chief Executive Officer or relevant staff member during normal business hours as this will unnecessarily extend the meeting duration.

If a question without notice cannot be answered at the meeting, the presiding member may allow the reply to be given at the next meeting (subject to subsection 4 below) or the Member may submit a ‘question on notice’ prior to the next meeting.

(4) The presiding member may allow the reply to a question without notice to be given at the next meeting.

(5) A question without notice and the reply will not be entered in the minutes of the relevant meeting unless the members present at the meeting resolve that an entry should be made.

(6) The presiding member may rule that a question with or without notice not be answered if the presiding member considers that the question is vague, irrelevant, insulting or improper.

Council Practice:
If the Presiding Member determines that a ‘question on notice’ will not be answered for reasons outlined in Regulation 9(6) the question and the reason will be recorded in the minutes.

10—Petitions
(1) A petition to the council must—
   (a) be legibly written or typed or printed; and
   (b) clearly set out the request or submission of the petitioners; and
   (c) include the name and address of each person who signed or endorsed the petition; and
   (d) be addressed to the council and delivered to the principal office of the council.

(2) If a petition is received under subregulation (1), the chief executive officer must ensure that the petition or, if the council has so determined as a policy of the council, a statement as to the nature of the request or submission and the number of signatures or the number of persons endorsing the petition, is placed on the agenda for the next ordinary meeting of the council or, if so provided by a policy of the council, a committee of the council.

(3) Subregulation (2) may be varied at the discretion of the council pursuant to regulation 6.

Alterations to this Code of Practice to Facilitate Electronic Participation
A petition must be addressed to the Council and delivered to the Council by means determined by the Chief Executive Officer as follows:

(a) Emailed to localgov@victor.sa.gov.au; or
Council Practice:

- All petitions are received by Council however, the Council may refer a matter arising from a petition to a Committee of the Council. A report is listed on the Agenda for the next ordinary meeting of Council addressing the matter raised by the petitioners and the number of signatures.
- The complete petition is included as an attachment to the report in the agenda.
- If the petition is received after the close off for agenda items it is placed on the next Council agenda however the CEO will table the petition or notify Members under ‘matters of urgency’.
- Persons wishing to submit a petition should be strongly encouraged to use the format as attached.
- Each page of the petition should state the purpose of the petition, as evidence that the signatories are aware of the issue they are supporting.
- The Petition should identify a Head Petitioner (including contact details) for communication purposes should that be necessary.
- For hard copy petitions each petitioner should sign individually, as evidence of their support for the petition (ie it is not acceptable for a husband to sign on behalf of himself and his wife or vice versa.
- It is acceptable for a petition to be faxed or attached as a document and emailed to localgov@victor.sa.gov.au
- The petition will be reviewed for errors and duplicate names ie only one email address is acceptable for electronic signatures.
- Any petitions received that do not meet legislative requirements may be contacted by a Council officer to clarify the author’s (head petitioner) intent and to assist in processing.
- Petitions received in respect to active Development Applications will be referred for the information of the Assessing Officer or Development Assessment Panel.
- The purpose of a petition should not be altered by a Petitioner (eg adding or altering words) as this may invalidate the Petition.
- A request for a petition to be withdrawn from the Agenda will be accepted if received from the Head Petitioner before the agenda has been finalised.

An online or electronic petition:

- Must meet the legislative requirements eg include the name and address of those that have signed or endorsed the petition and addressed to the Council.
- Must include a cover page that details the request and should expressly state that it is to be presented to the Council (so that the signatories are aware this is the case and sign/endorse on this basis.
- Should, where possible, be printed in a hard copy version.
11—Deputations

(1) A person or persons wishing to appear as a deputation at a meeting must deliver (to the principal office of the council) a written request to the council.

(2) The chief executive officer must transmit a request received under subregulation (1) to the presiding member.

(3) The presiding member may refuse to allow the deputation to appear at a meeting.

(4) The chief executive officer must take reasonable steps to ensure that the person or persons who requested a deputation are informed of the outcome of the request.

(5) If the presiding member refuses to allow a deputation to appear at a meeting, the presiding member must report the decision to the next meeting of the council or council committee (as the case may be).

(6) The council or council committee may resolve to allow a deputation to appear despite a contrary ruling by the presiding member.

(7) A council may refer the hearing of a deputation to a council committee.

Alteration to this Code of Practice to Facilitate Electronic Participation

A person or persons wishing to appear as a deputation at a meeting must deliver a written request to the Council by means determined by the Chief Executive Officer as follows:

(a) Emailed to localgov@victor.sa.gov.au; or
(b) Mailed to City of Victor Harbor at PO Box 11, Victor Harbor SA 5211

A person or persons wishing to appear as a deputation at a meeting may appear by electronic means.

The Chief Executive Officer will (with respect to a request that has not been refused), when informing the person or persons who requested the deputation of the outcome of their request, indicate the method by which the person or persons are to appear at the meeting.

Council Practice

- Deputations to a Council Meeting shall be limited to a maximum of three (3) per meeting.
- Each deputation shall be allowed a maximum of 10 minutes to make their presentation to Council. An extension may be granted with leave of the meeting.
- Persons wishing to make a representation to Council on an item within the agenda (eg support for a funding application) but have not made an appropriate application, shall be allowed to speak only with the endorsement of a majority of Elected Members.
- If notes or other documents are to be distributed for the deputation, twelve (12) copies are to be provided to the Minute Secretary prior to the commencement of the meeting for distribution.

12—Motions

(1) A member may bring forward any business in the form of a written notice of motion.
(2) The notice of motion must be given to the chief executive officer at least 5 clear days before the date of the meeting at which the motion is to be moved.

**Council Practice**

In accordance with Council’s resolution of 23 February 2015 Members may bring forward any business in the form of a written Notice of Motion that should be accompanied by a Rationale to the Chief Executive Officer within 7 clear days notice before the date of the meeting.

If a Notice of Motion is received by a Member between 7 and 5 clear days before the date of the meeting and the item cannot make the Elected Member agenda distribution timeframe then the item will be distributed to Elected Members as a ‘supplementary item’ (given the policy objective of distributing the agenda at least 5 clear days before the meeting).

The Chief Executive Officer will present the Member’s Notice of Motion (including any background information) via a Council report which includes a brief statement on policy, risk and financial implications associated with the motion.

**Note:** While every endeavour will be made by staff to finalise and distribute the agenda to elected members at least 5 clear days before the date of the Council meeting as per the adopted policy position, the legal obligation remains to comply with distribution of the agenda at least 3 clear days before the date of the Council meeting.

(3) A motion the effect of which, if carried, would be to revoke or amend a resolution passed since the last general election of the council must be brought by written notice of motion.

(4) If a motion under subregulation (3) is lost, a motion to the same effect cannot be brought—

   (a) until after the expiration of 12 months; or

   (b) until after the next general election,

whichever is the sooner.

(5) Subject to the Act and these regulations, a member may also bring forward any business by way of a motion without notice.

(6) The presiding member may refuse to accept a motion if the subject matter is, in his or her opinion, beyond the power of the council or council committee (as the case may be).

**Examples:**

To maintain an open and transparent approach to governance these motions should be restricted to matters closely related to agenda items, house-keeping issues or matters of urgency.

When in the opinion of the Presiding Member, the motion will require action involving the expenditure of unbudgeted resources a Motion on Notice may be requested.

(7) The presiding member may refuse to accept a motion if the subject matter is, in his or her opinion, beyond the power of the council or council committee (as the case may be).

(8) A motion will lapse if it is not seconded at the appropriate time.
(9) A member moving or seconding a motion will speak to the motion at the time of moving or seconding the motion.

(10) A member may only speak once to a motion except—

(a) to provide an explanation in regard to a material part of his or her speech, but not so as to introduce any new matter; or

(b) with leave of the meeting; or

(c) as the mover in reply.

**Council Practice: Questions without Notice may be applied as follows:**

Council Members may ask and answer questions regarding a motion for the purpose of clarification (not debate) and this will not be considered as speaking to the motion. Members should ensure that it is clearly a question and not used as an opportunity to contribute to the debate.

(11) A member who has spoken to a motion may not at a later stage of the debate move or second an amendment to the motion.

**Council Practice:**

A Member who has spoken to a motion is permitted to move or second an amendment to the motion.

(12) A member who has not spoken in the debate on a question may move a formal motion.

**Council Practice**

A Member who has spoken in the debate and/or seconded the motion may second a formal motion.

(13) A formal motion must be in the form of a motion set out in subregulation(14) (and no other formal motion to a different effect will be recognised).

(14) If the formal motion is—

(a) that the meeting proceed to the next business, then the effect of the motion, if successful, is, in the case of an amendment, that the amendment lapses and the meeting proceeds with the consideration of the motion before the meeting without further reference to the amendment and, in the case of a motion, that the motion lapses and the meeting proceeds to the next item of business; or

(b) that the question be put, then the effect of the motion, if successful, is that debate is terminated and the question put to the vote by the presiding member without further debate; or

(c) that the question lie on the table, then the effect of the motion, if successful, is that the meeting immediately moves to the next item of business and the question can then only be retrieved at a later time by resolution (and, if so retrieved, debate is then resumed at the point of interruption); or
(d) that the question be adjourned, then the effect of the motion, if successful, is that the question is disposed of for the time being but debate can be resumed at the later time (at the point of interruption); or

(e) that the meeting be adjourned, then the effect of the motion, if successful, is that the meeting is brought to an end immediately without the consideration of further business.

(15) If seconded, a formal motion takes precedence and will be put by the presiding member without discussion unless the motion is for an adjournment (in which case discussion may occur (but only occur) on the details for resumption).

(16) A formal motion does not constitute an amendment to a substantive motion.

(17) If a formal motion is lost—

(a) the meeting will be resumed at the point at which it was interrupted; and

(b) if the formal motion was put during debate (and not at the end of debate) on a question, then a similar formal motion (ie a motion to the same effect) cannot be put until at least 1 member has spoken on the question.

(18) A formal motion for adjournment must include the reason for the adjournment and the details for resumption.

(19) Any question that lies on the table as a result of a successful formal motion under subregulation (14)(c) lapses at the next general election.

(20) The chief executive officer must report on each question that lapses under subregulation (19) to the council at the first ordinary meeting of the council after the general election.

(21) Subregulations (9), (10) and (11) may be varied at the discretion of the council pursuant to regulation 6.

13—Amendments to motions

Note: The purpose of an amendment is to refine or modify the substantive motion but not to substantially change the intent or contradict it. The Presiding Member will not accept a proposed amendment that is a direct negative of the motion.

An amendment to the substantive motion is moved after the motion has been moved and seconded.

(1) A member who has not spoken to a motion at an earlier stage of the debate may move or second an amendment to the motion.

Council Practice:

Any Member may move or second an amendment unless they have been the Mover or Seconder of the original motion.

(2) An amendment will lapse if it is not seconded at the appropriate time.

(3) A person who moves or seconds an amendment (and, if he or she chooses to do so, speaks to the amendment) will, in so doing, be taken to have spoken to the motion to which the amendment relates.

Note:
Members speaking in a debate on an amendment should confine their remarks to the amendment and not debate the substantive motion. An amendment to a motion is an alteration to the wording of a motion – it is not a motion in its own right.

(4) If an amendment is lost, only 1 further amendment may be moved to the original motion.

(5) If an amendment is carried, only 1 further amendment may be moved to the original motion.

(6) Subregulations (1), (3), (4) and (5) may be varied at the discretion of the council pursuant to regulation 6.

14—Variations etc

(1) The mover of a motion or amendment may, with the consent of the seconder, request leave of the meeting to vary, alter or withdraw the motion or amendment.

(2) The presiding member must immediately put the question for leave to be granted and no debate will be allowed on that question.

15—Addresses by members etc

(1) A member must not speak for longer than 5 minutes at any 1 time without leave of the meeting.

(2) A member may, with leave of the meeting, raise a matter of urgency.

**Council Practice:**

A standard agenda item provides for Members to raise ‘matters of urgency’. When requesting ‘leave of the meeting’ to raise such matters Members should consider if the matter is sufficiently urgent to warrant consideration at the meeting. It is recommended that the Chief Executive Officer and other Members are notified prior to the meeting via email of matters that are intended to be raised through this item.

(3) A member may, with leave of the meeting, make a personal explanation.

(4) The subject matter of a personal explanation may not be debated.

(5) The contribution of a member must be relevant to the subject matter of the debate.

(6) Subregulations (1) and (2) may be varied at the discretion of the council pursuant to regulation 6.

16—Voting

(1) The presiding member, or any other member, may ask the chief executive officer to read out a motion before a vote is taken.

(2) The presiding member will, in taking a vote, ask for the votes of those members in favour of the question and then for the votes of those members against the question (and may do so as often as is necessary to enable him or her to determine the result of the voting), and will then declare the outcome.

(3) A person who is not in his or her seat is not permitted to vote.
(4) Subregulation (3)—

(a) may be varied at the discretion of the council pursuant to regulation 6; and

**Questions from the Gallery**
Council has allocated a 20 minute time limit (unless extended by Council) for the public to ask questions at ordinary meetings of Council. Questions may be asked by members of the Gallery regarding any matter of Council business.

Question time is not a public forum for debate, making of public statements or making allegations or derogatory remarks about Elected Members or staff. The time is limited to a question and answer period only, the questions should be clear and to the point and presented in a manner befitting a public meeting to enable a response.

The Mayor will apply the following guidelines strictly:

- Questions should be in writing to the Chief Executive Officer or delegate by 5pm on the day of the meeting. The minutes will rely on written questions for accuracy.
- Members of the Gallery may ask up to two questions and at the discretion of the Mayor, one follow up question to each of the main questions.
- Written questions should contain the name and address details of the person submitting the question to facilitate a written reply should the question be beyond a verbal response at the meeting.
- If a response is not given by the Mayor or Administration at the meeting, a written reply will be provided to the proposer of the question prior to the next ordinary meeting of Council and the question and the response will be recorded in the Minutes of that meeting.

Any person who has their question disallowed will be advised accordingly and be given a reason for why it has been disallowed.

The following procedure applies:

1. The Mayor will call forward the persons who wish to propose questions and have submitted such, in writing, to the Chief Executive Officer.
2. Each person allowed to speak must address the Mayor and state their name and their question; a small preamble will be allowed to provide background and context to the question.
3. The Chair in consultation with the Chief Executive Officer will determine the appropriate Council Member or officer to answer each question and depending on the complexity of the question, will provide an answer immediately or take it on notice for a formal written response, direct to the person raising the question at their nominated address.
4. Members of the gallery shall not enter into a debate or any other discussion and the Council will not enter into discussions with the person’s asking the questions.
5. The Chair will take advice from the Chief Executive Officer on any matter deemed confidential under Section 90 of the Local Government Act and under these circumstances, no response to the question will be provided.
6. The Chair will determine when sufficient response to a question has been provided.
7. In the event that more information is required to provide an accurate and full answer the Mayor may request that the question be taken on notice for the next meeting.

Note: Residents are able to contact an Elected Member or the Council office on any matter relating to Council business. Written communication to Council is registered and generally responded to within 15 working days and within 5 days for e-mail contact.

Alteration to this Code of Practice to Facilitate Electronic Participation
A person who has submitted a question in writing does not need to be present at the meeting for it to be considered.

Nomination and Appointment to Internal and External Positions:

From time to time, Council will be asked to participate in a vote to appoint an Elected Member to positions, committees, boards, or other internal/external vacancies or roles.

As an example, Council may need to vote on:

- A nominee as Council’s representative for the Local Government Association Board
- A Deputy Mayor
- Councillor as a member of a Council Committee and/or Advisory/Working Group

Where Council is required to vote, a report will be presented to Council and will include a recommendation for Council to suspend meeting procedures to take leave of the meeting to participate in an election process via secret ballot using a first past the post method of voting.

Nomination Process:

1. The Mayor will call for a suspension in the meeting procedures by asking Elected Members for a show of hands to seek leave of the meeting. Note this requires the consent of two thirds of the members present and does not require a resolution.

2. The Mayor will call for nominations.
   - If an Elected Member will be absent from the meeting but wish to nominate they may notify the Chief executive Officer and/or Mayor via email or letter of their desire to nominate.

3. Nominations will be accepted by the Mayor upon consent of the nominated person, however a person may withdraw his/her nomination before a vote.

4. In the event of only one nomination being received after the call for nominations they will be the candidate put forward to the Council for decision, as per Section 14.

5. If there are more nominations than positions the Mayor will allow up to three (3) minutes each for those members to explain why they are the most appropriate nominee.

Secret Ballot Process:

6. The Chief Executive Officer or delegate will be appointed the Returning Officer for the purposes of the election, and will confirm that the Election is first past the post, for each position being elected, with each being elected via a separate ballot.
7. Administration will prepare and provide the necessary voting material to Elected Members (including the Mayor). If more than one ballot is required – different coloured ballot papers will be used for each ballot.

8. Each Elected Member present at the meeting will write the name of the preferred candidate on the ballot paper.

9. All ballot papers will be collected by administration and counted by the Returning Officer.

10. The counting will be first past the post, majority vote. (10 eligible voters)

   - For example – first past the post
     Candidate 1 5 votes
     Candidate 2 3 votes
     Candidate 3 2 votes
     Candidate 1 has the most votes and would be elected.

Tied Vote

11. If there are equal votes counted by the Returning Officer, the Returning Officer will draw lots to determine the outcome. Names will be drawn one by one and the name of the candidate that is not drawn will be the person considered in Council’s formal resolution.

12. Upon the conclusion of the election, the Returning Officer will declare the successful candidate.

Voting

13. The Mayor will bring the suspension of meeting procedures to an end by asking Elected Members for a show of hands. Note this requires the consent of two thirds of the members present and does not require a resolution.

14. Upon returning to the meeting, the name of the successful candidate will be announced and the Mayor will ask for an Elected Member to move and second the motion before Members can debate and vote to resolve the outcome.

   - Depending on the nature of the appointment, the nominated Elected Members should consider whether they have a conflict of interest and whether they should participate in the vote.

• Council will provide live-streaming of council meetings (special and ordinary) via its public website (excluding confidential items).

• No person is permitted to record confidential items of Council or Committee meetings.

Committee Meetings

Council will audio record all Council Committee meetings (established under Section 41 of the Local Government Act 1999), and Council’s Development Assessment Panel for record keeping and risk management purposes.

Procedures for Recording Council and Committee Meetings:

Council Meetings

Guidelines for the recording of Council meetings are outlined within the Live Streaming and Recording of Council Meetings Policy.

Committee Meetings

1. Notification of recording at Committee Meetings

The Council will provide advice to those attending meetings as follows:

• On the notice of meeting (agenda);
• On notices at the entry to the location the meeting is held; and
• Verbally by the presiding member at each meeting.

The wording of the advice could be: ‘Please be advised that filming, photography, and audio recording may take place at this meeting when the public and media are not lawfully excluded under Section 90 of the Local Government Act 1999 (confidentiality provisions).

2. Notifying the Committee

While no prior approval is required to film, photograph or audio record City of Victor Harbor committee meetings, the Council requests that any persons (members of the public, Elected Members and the media) make their intention to record the meeting known to Council officers or the Presiding Member of the Committee.

Those members of the public recording the meeting will be required to do so from a dedicated area within the public gallery.

3. Filming individuals

The council respectfully requests that those recording a meeting not film, record or photograph the public gallery.
While the council will make every effort to protect members of the public who actively object to being filmed, photographed or recorded, it cannot guarantee the actions of those filming.

The council will implement precautionary measures including directing children or vulnerable adults present at council or Committee meetings to sit in the rows behind the people filming or photographing. Other members of the public who don’t wish to be filmed or photographed will also be encouraged to sit in the back rows of the gallery.

Additionally, recording should not be conducted in a manner that could intimidate a committee member from expressing their views and/or performing their functions as members of the governing body or committee representative.

4. **Exclusion of the public and media**

There may be instances where members of the public and media are asked to leave under Section 90 of the Local Government Act 1999 – this is when the meeting considers matters involving exempt or confidential information. At this point members of the public and the media must cease recording / filming / photographing and leave the chamber or meeting room with all of their personal equipment.

5. **Appropriate use of recordings**

The council expects that those people recording committee meetings will not edit the recordings, film or photographs in a way that could lead to the misinterpretation of the proceedings.

6. **Facilities**

Third parties will not have access to Council’s recording equipment.
